BORIS BELYAVSKIY

Berkeley, CA · babelyavskiy@gmail.com

0→1 fintech product builder · Mixed-methods researcher (PhD) · AI-enabled workflows

EXPERIENCE

MCKINSEY & COMPANY · Almaty, Kazakhstan; Moscow, Russia 01/2022 – 06/2025

Senior Business Analyst (04/2023 – 06/2025) · Business Analyst (04/2022 – 04/2023) · Business Analyst Intern (01/2022 – 04/2022)

Product & digital launches

- Launched digital SME lending for a UAE bank, cutting time-to-loan from 25 to 3 days: benchmarked offline and competitor journeys, redesigned touchpoints and back-office flow, and piloted it with the SME unit
- Tripled corporate sales to $2M/week at a top-3 Uzbek bank: shadowed sales calls, shipped a CRM pipeline dashboard (clients, LTV, product mix) and a sales playbook, coached 24 managers, won CEO-1 sign-off on discount tiers
- Unblocked 2 projects stalled since 2022 at the same bank by launching Jira delivery workflows and dashboards for 500+ staff in 8 functions: gathered requirements, demoed the MVP for sign-off, ran procurement and trained users
- Built a buy-now-pay-later app 0→1 for a Middle East bank: defined the MVP, pricing, customer journey, operating process and B2B merchant partnerships

Strategy, operations & analytics

- Raised ore output 20% ($300M/yr) at a large Kazakh miner: walked the value chain, drove root-cause analysis at daily 7 a.m. shift meetings and co-built a simple planning tool with a section head running 200 people
- Built a scenario-planning model (investment mix, labor quotas, interest rates) for a national government; its 5- and 20-year KPIs were adopted in the national development plan
- Designed a loan-collections process from scratch for a Central Asian bank (journey triggers, agent playbook, loan scorecard), projected to cut NPL from 7% to 5%
- Developed a 12-market footprint strategy for a leading South African bank, projected to raise ROE from ~12% to ~17%; as an intern, cut costs 2%+ ($150M+/yr) via org redesign at a top-3 Russian bank

HSE UNIVERSITY · Moscow, Russia 02/2018 – 12/2021

Research Faculty, Laboratory for Studies in Economic Sociology · Teaching Faculty, Faculty of Sociology

- Published 9 peer-reviewed papers (incl. top-25% management journals) on B2B trust and household spending, drawing on 100+ interviews, a year of field ethnography and a 4-wave survey of 2,700+ respondents
- Won a competitive research grant (10% acceptance) and turned patient interviews into a behavioral-nudge guide for the national health ministry to promote cancer prevention and self-care
- Taught 280+ students (Household Financial Behavior, Sociology); coached 2 student research teams, one of which won a competition among 100 participants; awarded Best HSE Teacher

PROCTER & GAMBLE · Moscow, Russia 05/2018 – 05/2019

Project Manager Intern, Sales – Electric Oral Care

- Designed branded in-store displays and ran production through installation, doubling coverage to 450+ stores (~70% of a national chain) with 66% shelf share; recognized by the CEO of Eastern Europe; received a full-time offer

EDUCATION

UNIVERSITY OF CALIFORNIA, BERKELEY – HAAS SCHOOL OF BUSINESS MBA, 05/2027

- VP of Career, Consulting Club: hosted an AI frontier panel for 110+ with Anthropic, KPMG and a $12M Series A founder
- Designed and taught a student-led elective, MBA 294.10 Humanism: Shareholder Perspective (15 students)

HSE UNIVERSITY – PhD in Sociology, cum laude (completed while working full-time at McKinsey) 01/2024

UNIVERSITY OF MANCHESTER – MA in Political Science & International Relations, with distinction; best thesis of 50 10/2021

HSE UNIVERSITY – BA in Economic Sociology, graduated top 4% of class 06/2019

LEADERSHIP

KIMEP ALUMNI ENDOWMENT FUND · Almaty, Kazakhstan · Pro bono consultant 08/2023 – 06/2025

- Raised $130K over two years for Central Asia's first private educational endowment, funding 20 scholarships: ran sponsor discovery interviews, built a sponsorship menu and staged an annual charity gala with an auction

HSE SOCIAL PHILOSOPHY CLUB · Founder & President 01/2016 – 02/2022

- Grew the club from 10 to 330+ members and 5 professors; the university turned it into a funded research lab
